INTERVIEW SUMMARY

Dear Sir:

In response to the Interview Summary mailed July 5, 2005, Applicant sets forth herein a summary of the interview held with the Examiner on July 11, 2005. A proposed Amendment and Response After Final was provided to the Examiner by facsimile on June 27 and July 11, 2005. The draft Amendment and Response After Final was reviewed and discussed by the parties during the interview in addition to the Colby, et al. and Gupta, et al. references. Applicant reviewed the argument set forth in the Amendment and Response After Final respecting the distinctions between these references and the subject invention. The Examiner acknowledged the distinctions but did not agree that the references were overcome by the Amendment and Response After Final.

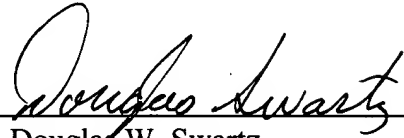

Application No. 09/921,460

The Examiner indicated that further review and search was necessary before allowance of the Application was appropriate.

Respectfully submitted,

SHERIDAN ROSS P.C.
